Subject: TASC for the Santa Susana Field Lab
Date: 07/06/2009 02:10 PM

Dear Mr. Garcia - Bakarich,

I tried to reach both you and David Cooper today. I really want the West Hills Neighborhood Council Board to weigh in on the TASC issue. I hope that you could come to our full Board meeting on August 5, 2009.

I would need to have an answer to that ASAP to get you on our agenda.

Thank you so much.

Chris Rowe
